AND

"MOMENTS TO REMEMBER"

In September of 1953, one hundred and seventeen green freshmen entered a very busy life at Franklin High School. The varsity teams of 1953 started practices and eliminations. A few were chosen for reserve and freshmen squads. As the year progressed, the greenness wore off, and we became a part of the school. We did a little studying and a lot of loafing, and we had lots of fun at athletic events, mixers, and formal dances.

We became acquainted with our class sponsors: Mr. Fox, Miss Webb, Miss Kelly, and Mrs. Volland, as soon as soon as we came back for our sophomore year. The all school plays, convos, and clubs highlighted this year. Basketball became very important when we won the sectional, but we were downed by Greensburg in the regional.

Our junior year was the most important yet, we became more interested in clubs, and many of us joined Hi-Y and Tri-Hi-Y for a lot of work, but even more fun. Our scholastic rating was high and twelve of us were tapped for National Honor Society.

A lot of headaches and hard work produced the ELECTRON every other Friday for everyone to enjoy. In April, our class became a team with the goal of having the best prom ever. After many, many, exhausting hours of work, the big night finally arrived. With Johnnie Marie Graham as our queen, we danced to the music of George Noblitt and his band. These were truly "Moments To Remember."

(When we came back to school last fall, we had completed three of the most memorable years of our lives, and this was to be the most eventful yet. Mr. Sloop took Miss Webb's place as sponsor, and the senior members of Tri-Hi-Y formed the Junior Tri-Hi-Y for freshman and sophomore girls. The KITE staff began immediately to plan our yearbook. After many headaches and campaigns to raise money it was

finally finished and sent to the press. With members of our class leading almost all of the clubs, we did a big job and had a lot of fun doing it. The election of senior celebrities, class parties, mixers, and the formal dances made our year complete.

As graduation draws near, we the Class of 1957, wish to express our appreciation and gratitude to the administration and faculty for the help they have given us. During these four years, we have made a lot of freinds, had a few troubles and loads of fun. We hope, as we leave Franklin High School, we will not be forgotten.

AS WE LOOK BACK.....

The rising sun shone bright and blazing
On Freshman long ago,
As we began a brand new life
In F. H. S. ----- as well you know,

We slowly staggered thru our "green" year,
and fondly (?) we recall:
Biology, homework, Latin, and choir,
In spite of these we had a ball!

Then suddenly we began to know
The ropes of our dear school;
As Sophomores we were V. I. P.'s,
And paid no heed to law or rule!

Our next year was the very greatest---
Class-rings, our Prom, and all that;
We now were big-dog upperclassmen,
And high up on a cloud we sat.

Our bright sun now is sinking low
On our high school career.
We'll never forget it, and as we leave,
To F. H. S. we raise a cheer!

SENIOR ATHLETICS

by Charles Sanders

In the past four years, the boys of the class of '57 have played important posts for Franklin High School in sports. Thirty-three boys participated in one or more of the six athletic fields offered. Of these thirty-three, Harold "Bud" Jones was voted the most outstanding senior athlete by the student body. Bud, besides receiving this honor, was captain of the basketball team and was selected for the All-Conference Team. He has been an outstanding player in all three major sports (basketball, baseball, and football) for the last three years.

(continued)

SENIOR ATHLETICS - con.

Franklin was blessed with many fine football players supplied by the Seniors during the past season. Sixteen '57's helped make up the fighting Grizzlie Cubs. Alan Demaree, captain this year, did a marvelous job at halfback and made honorable mention to the All-Conference Team. Bob Deckard, fullback or quarterback, was a workhouse for the Cubs all year and was selected to the All-Conference Team as a backfield man. Other Cubs who received honorable mention to the All-Conference Team were: Frank Lewis, halfback; Jack Dunn, end; Reggie Brewer and Jerry Wood, guards; and Charles Sanders who was voted this year's most valuable player. Other Seniors who aided the Cubs this year were: Bud Jones, Warren Burris, Jerry Webb, and Bob Kiggs in the backfield; Bill Carman, Andy Acher, Jack Allender, Charles Lawson, and Roger Faulkner.

When the basketball season came to a close, again the Seniors showed their outstanding ability to play sports. Four of the five starters who were Seniors were: Larry Jacobs and Warren Burris, guards; Frank Friedersdorf, forward; and Bud Jones, this year's captain, center. The Cubs played many fine games and at times looked like a team which would go far in any state tournament. Jerry Webb and Charles Sanders, guards, also saw action in numerous games.

In baseball, as in other major sports, the Seniors played important parts. Six of the nine starters were Seniors. In the infield was Larry Jacobs a good hitter and fielder; Jerry Webb one of the best defense players Franklin ever had at shortstop; and Bud Jones who was a vital hitter in the Cub line-up at first base. In the outfield were Frank Friedersdorf in centerfield and Bob Foster in the leftfield. These boys were accredited with robbing many hitters of fine hits as well as being potent hitters themselves. On the mound for the Cubs was Jon McClelland a good pitcher with a fine, fast ball.

In cross country this year the Cubs had many fine runners. As co-captain of the team, Jerry Prosser led Franklin in

winning many meets. Other Senior members of the team were: Gene Prosser, Alan Michael, and Bill Bunnell. This year Franklin had ten Seniors competing in track. These ten were responsible for winning many meets for F. H. S. In the field events the Seniors showed good ability and earnesty. Reggie Brewer who threw the shot put for the Cubs, was able to come within six inches of the school record. Charles Lawson also threw the shot put and at times got very good distance. Bill Bunnell, Franklin pole vaulter, was a great help to the Grizzlies. Also in the field events was Jerry Wood, who did high jumping as well as run the 220 yard dash. He was able to pick up many points for the Cubs. In the track events Franklin was blessed with many fine runners. Jerry Prosser, who ran the mile, placed fourth in the sectional meet and also ran in the state regional meet. His brother Gene also ran the mile and the half mile. Alan Michael ran the half mile and was a third member of the distance medley team along with both Prossers. Alan Demaree and Andy Acher ran relays and hurdles respectively. Frank Lewis rounded out the team by running the 100 yard dash.

In golf this year Mike Gallagher was the only Senior participating. Mike has been playing four years on the golf team and was responsible for the winning of several meets.

The season could not be complete without saying something about our only student manager, Larry Coffman. Larry, basketball student manager, did a wonderful job all season. People know little of what goes on behind the scenes in the dressing room and the student manager is always there. Many hours of hard work are put in by these boys and all graduating athletes want to thank Larry for his help.

The athletes who have participated in all these sports are grateful to the coaches---"Doc" Smith, "Doc" Lash, Art Cosgrove, Bob Claxton, Bob Voegeli, and Harold Stinson for the co-operation and understanding they have given them. The things learned and the friends made will be remembered all their lives.

LOVE AND MARRIAGE

For all of us the years we spent at Franklin High have been years that we will never forget. One day all of us will look back and remember all the good times we had and for some they will they will remember that special someone with whom they shared those happy days. In the future a few will still be sharing many long and happy years, but for others that "someone" will be just a memory. Best of luck in the future kids!

There have been many who have taken the big step in the senior class but only one remains in school, that is Judy Garrison, whose husband Bob is stationed in Germany at the present.

Those getting ready for the big event are numerous in our class and have given or received some pretty fancy rings. They are:

Suellen Ragsdale	Jon Edwards
Allen Micheal	Judy Reufeisen
Flo Sanders	Bob Lamphier
Nancy Chandler	Bud Jeffries
Bill King	Joyce Bridges
Libby Green	Melvin Edwards
Bob Deckard	Phyllis Shepard

Also many are going steady and part of them have definite future plans. These lucky kids are:

CLASS PROPHECY

The year - 1977 - the day - May 28th, 20 years after the graduation of the class of '57 - the place - Bear's Candy Kitchen, formerly known as Nick's. Here we see Jim "Bear" Richardson, and his faithful helper, Tom Vest.

Tomorrow is the perinneal reunion of the class of '57. A bunch of the boys were passing by and stopped in for a coke, they still seem to have their artistic ideas, they like to "draw poker"; it looks like Bill (the card sharp) Carman and his coherts are planning a little entertainment. Bringing up the rear are Ronnie Quick, newly elected president of the International Trappers Association, and his board of directors, Bill King, Bub Buster, Jr. Coffman, and Bill Cox.

There seems to be a draft-Oh, it's only D. Richard Jones, the tin tounded orator, and his number one fan, Jim Bryant.

Wandering in to look over the card game are Bob Diggs and Jack Samuels, co-owners of the B. X. Diggs Construction Company. Right behind them are Leroy Hill, Bob Etter, and Don Barrow, recent purchasers of the EdClarkes' Used Car Lot.

Warren "The Honest Man's Friend" Beeler and his advisors, Jerry Van Slyke and Justus Wright are stopping to have a sasparilla with their opponents, Jon "Alert" McClelland and coherts, Jack Matthews and Jerry Purdy.

Gene and Jerry Prosser and Alan Michael are here in Franklin for the celebration; it is remored that they're in training for the Olympics.

It's good to see that some of the members of the class of '57 have come to the fore in civic affairs. Elizabeth Green, Carolyn Sego and Florence Sanders are carrying on a vigorous campaign to rid our town of skeptoseptica billeringineens.

There seems to be a commotion around the gaming table - a shot!! Jack Allender comes staggering out, he seems to have a skitsofranic complex, thinks he's been shot. Here comes Larry Jacobs out of the crowd, boy what a sloppy guy - he spilled catsup all down the front of his shirt, seems to be a little clumsy - he just fell flat on his back.

A state of confusion prevails, the Emblems of the Law; Reggie Brewer, Bill Bunnell, Harry Garloch, and the distinguished lady dectective, Deloris Weaver, comes rushing in with the eminent surgeon, Dr. Harold Baker, with assistants, Roger Lanier and Richard Lewis.

The authorities seem to have the situation well in hand as the Saturday Sewing Circle, consisting of Nancy Chandler and Bernice Blackwell, (private secretaries to Norman Willey, owner of Shell Oil Co.) Margaret Demaree, race driver - Pat Diggs, Alethia Morgan, Janice Ruddick, and Janice Miller, co-owners of G. C. Murphy and Co., stop in for a cup of tea.

Now entering, with his head in the clouds, is that daring young aviator, Andrew P. Acher, and his co-pilot, Jerry Webb.

CLASS PROPHECY cont.

As we walk out towards the parking meter we see The Senatorial Farm Bloc: Bob Brown, Joe Waltz, Gerald Smith, and John Reynolds, discussing the price of eggs. Holding up the building is the All American Football team - Jack "Leg Breaker" Dunn, Allan "Crazy Legs" Demaree, Bob "X-ray ears" Deckard, Frank "Worley" Lewis, Bud Butterfingers" Jones, and Charlie "the toe" Lawson. Gathered around them looking for autographs are Jeannie wagner, Barbara Mahoney, Sue Smith, Judy Garrison, and Patti Lewis.

Now, ladies and gentlemen, let's hurry back inside for the floor show. Featured tonite we have the Franklin Philharmonic Orchestra, with Lowell Ballard, conductor - Tom McDonald and Richard Harmon on guitars, with Jerry Wood as vocalist. Along with the orchestra comes the famous Ethel Harri-son dancers, Johnnie Marie Graham, Dee Williams, Carol Grepp, Pat Oates (who can also sing?) and Sussie Ragsdale and Alice Barger, co-owners of Consolidated Diamond Mines.

What's that noise!!!? Sigh - it's John Rueff, that internationally famous opera singer, he's being mobbed by autograph hunters - Carol Ire-land, Dora Shipp, and Diane Casey.

Look everyone, it's "Boxcar Benny", alias "John the Journeyman" alias Frank Friedersdorf. And there's Admiral Robert H. Foster (The Old Sea Warrior) and his mermaid, Marlene Whetstine. He seems to have done quite well as a sea weed.

Here are two men who have followed the true quest for knowledge so prevalent in the senior class. Eddie Gearhart and Jack McInturff, complete with test tubes, unabridged dictionary, and all the educational equipment so necessary to survive in today's scientific world.

Last but not least - Paul "2:37 o'clock shadow" Hughey, who holds the world's record (5 hrs. 2 3/10 min.) for chopping down the petrified forest.

In conclusion of this memorial epitaph, your friendly, franeslarthanic philosophers, Mike Gallagher and Gayl Fraser, say farewell and Merry Redulactinites to you and yours.

CLASS WILL cont.

- I, Jerry Webb, will my feet back to the duck.
- I, Marlene Whetstine, will my place at the southeast window to Gayle Campbell.
- I, Norman Willey, will my paint job to Miss Stephan.
- I, Dee Williams, will my position on Block's High School Fashion Board to Sarah Rose Mitchell.
- I, Jerry Wood, will my bushy eyebrows to David Cline to go with his kinky hair.
- I, Justus Wright, will my ability to look casual to Elvis Presley.

HISTORY

On September 8, 1949, approximately 106 "green" freshmen entered the halls of Franklin High School, eager, but with a feeling of inferiority to the many upperclassmen. Since, out of this number, 16 were graduates of Needham Grade School and about 8 more were from Hopewell, there were many new and unfamiliar faces among us. As a result, the next two or three weeks were spent in making new friends and acquaintances, many of whom would share our joys and troubles during the next four years.

As time passed on, we freshmen started to emerge from our shells and began to take our places, however small, in the whirl of school activities. Perhaps the highlight of the year was

the annual Grizzly Club Dance held in honor of the "F-men" of the school. A week before the big affair, many white shirts were laundered and pressed as were the "only" suits. The girls, too, were spending anxious moments getting their formals ready for the big night. What a wonderful time we had! As we look back through the last four years, one of the sweetest memories is our first Grizzly Cub. We are grateful to the school for allowing such a fine tradition to be carried on.

The remaining weeks of school passed uneventfully, and almost before we knew it, another senior class had been promoted from "green" freshmen to "sophisticated" or "Silly" sophomores. As we accepted this position of F. H. S., we were beginning to realize that we had a very definite place in our school.

School passed on much as it had the year before, with one notable exception. We became acquainted with our new class sponsors, Miss Stephan, Miss Couch, and Mr. Smith. Our sponsors the year before had been Mr. Vandivier, Miss Van Lieu, and Mr. Van Cleave. Our sponsors have been very helpful and understanding in all our problems. Their ready help and advice have been ours for the asking; and for this, we cannot be too grateful and appreciative.

As the year continued many of the members of our class had begun making themselves prominent places in school life. Many were taking over duties of class officers and officers in the various clubs. Some were excelling in the classroom, while others were starring on the sports field.

By this time most of our "crushes" on upperclassmen had been forgotten; and, as we began to learn the correct methods of dating, the time-honored "battle of the sexes" was on. Then suddenly the year was over and one of our most important years was beginning. We were juniors!

Our junior year was an exciting one right from the start. This was the first year that we really began to take an active part in the major organizations at Franklin High. Soon after school started Hi-Y and Tri-Hi-Y tapped many of our class members, and, after a day or two of informal initiation, formally initiated us in inspiring ceremonies. Much of our time has been spent making these organizations successes; and we are extremely grateful to F. H. S. for the privilege of participating in them.

From the start of our junior year, the big thing in all our minds was THE PROM!! For our theme we chose "Evening in Paris"; and immediately began working. We knew that during the next few months, the eyes of the

whole school would be on us, and we wanted to present the seniors with one of the best Proms ever. Many of us donned a new formal, dinner-jacket, or "tux" for the first time, and for all of us our Junior Prom is a happy memory we shall never forget.

Altogether too soon, our senior year arrived and many of us began realizing for the first time just what these last four years had meant to us. We have, in our own way, tried to fill a place among the other graduating classes before us, and sincerely hope that we have been able to do so. In spite of the worry and concern we have caused our superiors through these years, we hope that they know that they have our deepest respect and sincerest appreciation for the guidance and knowledge they have passed on to us.

During our four years of hardship and happiness, we have made many friends among ourselves and, we hope, among the faculty and members of other classes. Some of these friends we shall never see again; others will be near us all our lives, sharing the same problems and happiness that they have shared with us in high school. Years from now as we look through the pages of this, our senior class annual, may we all be reminded of our four wonderful years at Franklin High School.

PROPHECY

The 1973 State Basketball Finals have just been completed and Franklin emerged the victor. The games have been played in the Franklin Field House with Bill Wheeler, the up and coming basketball coach at I. U. officiating the games. He was ably assisted by James "Eyes" Acher. As we ascend from the hundred and second row and make our way down the long ramps we are confronted with Walter Smith, janitor, pushing dirt, waste, and empty popcorn sacks under the bleachers in true Garrett fashion. Quickly our eyes are caught by an object above the crowd. It's none other than John McClain. Rumor has it that John has two fingers bandaged; it seems he was polishing too many apples to get the position of principal

at our dear ole Alma Mater. Everyone's attention is directed to the North exit where Chief of Police, Tom Kerlin, is holding back the crowd to let Clive Lewis, manager and star of "Ice Capades" and some of his cast make their grand exit. As we get a closer look we see that it is that inseparable pair, Bebe "Flashing Blades" Wilson and Loretta "Twinkle Toes" Kellams who are currently featured in the show. A loud roar is heard in a far corner. Upon investigation we learn that Pat Lemons, now running for the office of president of the Nicotine Anonymous is arguing with the popular debater, Carole Jacobs, on the values of cigarettes to the modern girl.

Leaving the gym we notice a poster advertising the appearance of Janice Deputy's Arkansas Travelers, the only girls team to beat the Globe Trotters who were without the services of their captain, Bill VanCleave. On the bulletin board are other notices of the doings of athletes who are FHS graduates. Zelta Fulkerson has won the hundred yard dash in the olympics this past year. Other team members were Ann "Amazon" Mitchell who took first in the womens division of the shot put and Doris Kennedy, worlds contender for the high hurdle record.

Now, the parade downtown begins, led by Eddie Catt and his new custom Chevrolet. We join the joyous throng and pass by Buford VanCleave who just came rushing from the church at which he is pastor and is trying to hush the bedlam which is interrupting his service. Then we see Don Risinger, representative for "Double Bubble With No Trouble" chewing gum, and giving the kiddies samples when their mothers aren't looking. Dick Sefton is circulating through the crowd still trying to "pull" a bop joke. At his side is Ed Scott who is on a crusade for the introducing of "Geisha Girls" in the U. S. Across the street is Connie Fricker, New York sweater model, talking to Nanci Jones, noted author, of a book entitled HOW TO CULTIVATE A FEMININE LAUGH.

Our eyes catch the pleasant smile of Sue Perkins; upon talking to her she tells us that she is the critic for Nanci's new book. She also adds the latest bit of gossip, that Carol Barger has a new five year contract with the Amity TV station for her new show, "Hoedown with Carol" and that Edith Vance holds the worlds record for flag-pole sitting. We are also informed that Eva Partenheimer Beard is now an exporter of seal skins straight from Alaska; while Sylvia Wheet and Joyce Harrison are currently booked at Town Hall with their startling lecture "The Evils of Men". Sue adds that Raymond Featherngill's diamond business has not been hampered in the least by this lecture.

The pain of a splitting headache now drives us into the nearest drug store only to find Melvin Davis head Pharmacist slinging Bromo's at a mad pace. Quickly ducking a "Flying Bromo" and biting the dust we encounter none other than Betty Walters, lady archeologist, hunting her old fossils.

Our head once more clear we step outside to see Robert Johnson, Manager of the cat farm walk up boldly and shake the hand of Bob Hendricks, president of the National Cowhands Union. We over hear him say that his farm hand, Larry Lee has taken a leave of absence to serve a term as Representative in Washington. While conversing Covella Sturgeon walks up and gives the two a strange look. She is a biology teacher at Yale. Whipping by is Dick Campbell, manufacturer of station wagons specially built to hold twenty girls.

Out on the street there is a loud crash which draws our attention. Out of the crumpled mass comes Caryoll Atwood raving furiously that she has to get her road equipment out on 44. You see Caryoll is now with the state highway department maintaining the road between Franklin and Shelbyville.

The team now leaves the parade to go to Margaret Rices's lunch room, commonly known as "Eat with Pete!". It has been reported that Jim Lawson, prominent jeweler, plans to give diamond stick pins, stones cut by Larry

McGill, to the team members. Across the street in Martha Sego's dance salon is playing the name band, Keith Heiney and his Hoosier Maniacs. As we glide across the floor we see two eyes peering around the microphone; they belong to none other than Carol Neese, who has just returned from her European concert tour. She has the distinction of being the shortest soprano to sing at the Met. She is accompanied by Dan Fetterley, currently retired from the navy with the rank of admiral, on a uke.

Not being in a mood for dancing we start on down the street. We see some of the other occupations engaged in the class of '53. Arlene Rhodes and Norma Stark are vieing with each other to see who can recruit the most able bodied men to join the Marines in Arlene's case, or the Army in Norma's. Not wishing to join the service we walk into the Robinette Barber Shop. It seems the feature of this place is Ted's imported German Girls who have just finished a course in Bill McDonalds' personal school of manicuring. If you want to secure advise on bird watching just go to the back of the barber shop and ask for Melvin Smith. As we stumble through the smoke filled room to collect our advise we see three engaged in a game of poker. They are Jim Woods, Bob Raney, and Merrill Smith.

We have just been informed that Gwendolyn Allen has taken a job as secretary to the Supt. of Schools, Stanley Montgomery. Don Dunn is teaching a course in electronics; for the first time at FHS. Bob "Stubby" Garrison has been teaching shop classes for five years without a mishap. There is also a new band director; he is Phil Hughey, toughest director the school has ever had. Annette Petro is teaching a Home Ec. course on how to attract and keep that man. The history job has been taken by Art Turner. The way the story goes he received a key ring for graduation and felt that this was his calling to the history teaching profession. Down from Purdue's teaching staff we have those former football stars Tom Scott, and Richard VanCleave, searching for material for the Boiler-maker's grid squad.

Dick Coffey is seen dragging his mangled features down the street. It seems that last game he and his beloved Rams played against the Chicago Bears was a rough one. As Judy Babcock walks pertly along the street, the information reaches our ears that she must hurry back to New York where the national convention for SAE house-mothers is being held. Just returned from Ethiopia is WAC general, Alice Colin, and also walking along the thoro-fare is Mary Frazier, "Madame Plaster from Paris", the noted sculptor.

The town's leading industry is the firm of Janice Perry and Barbara Coffman engaged in the manufacture of space helmets. Esther Ramsey, top fashion model, has the contract for modeling and showing the headpieces.

Seeing that all of the members of the Class of 1953 are accounted for, we pointed our three and a half eyes toward Mars and disappeared.

This year the club boasts fifty-three members. The purpose of the club is to perform services in the school, community, and the world. Sponsored by Miss Dorothy Stephan, the Franklin club has been the most outstanding in the state and was awarded the Jane Williams Insley plaque for the fourth time at the summer training camp. Some of the services performed this year were: selling salt water taffy, proceeds going to a local family; caroling at Christmas for shut-ins; sponsoring get-acquainted day, devotions on the P. A. System, Courtesy Week, and the polio fund drive in the high school; clothing sent to the Korean people; baby sitting on Election day and many other worthwhile services. For her hours of service and leadership, the club presented the president, Bebe Wilson, the jeweled Tri-Hi-Y pin. At their annual "Sweetheart Mixer," Dick Sefton was crowned Tri-Hi-Y Sweetheart King. The first part of the dance consisted of a carnival; the second of a dance, honoring the 1952 Football team. Esther Ramsey was crowned Football Queen by capt. Tom Scott. At Christmas time they collected baskets of food of the United Charities. In the school the Council sponsored the annual Roll Call in November, the Christmas Tree Dance, Gift Boxes in February, and a hay ride in the spring. To aid the Senior Red Cross, our Council organized a Speaker's Bureau of Council members and speech students, who spoke to the different clubs in town on the activities of Junior Red Cross. The Council also did many things for the soldiers of Camp Atterbury, especially those in the hospitals. They made wall decorations, hot water bottle covers, and other items for the hospital, and contributed to a Christmas party and an Easter party for their projects, they sold concessions at the Sectional Tourney. The Council held its meetings the first Monday in each month in the Home Ec. room. The meetings were usually preceded by a pitch-in supper. The council was led by Nanci Jones, Pres.; Dan Fetterley, Vice Pres.; Tom Scott, Treas.; and Margaret Rice, Sec.; and was sponsored by Miss Ott.

On August the 15, nearly forty football candidates reported for physicals to open the Cubs football season. With the problem of who would replace the seven graduated seniors from last year's team, Coach "Doc" Lash immediately began to put his team to work in search of new players. However, it didn't take long to find out that this year Franklin would be knee deep with material. Ted Robinette, who recently moved here from Germany; played RH; Dick Coffey a converted end to halfback; "Burrowing" Buford VanCleave, the Cubs fullback; Captain Tom Scott, QB; Don Risinger, Bill Krause, and Ralph Bellamy supplied the thrills for Franklin's high-stepping back-field.

The Cubs hard hitting line composed of Kieth Heiney at center; Leon Morris, Del Jackson, and Art Turner at guards; Dick VanCleave, Clive Lewis, Don Pelley, and Bob Johnson at tackles; Stan Montgomery and Ray Featherngill at ends.

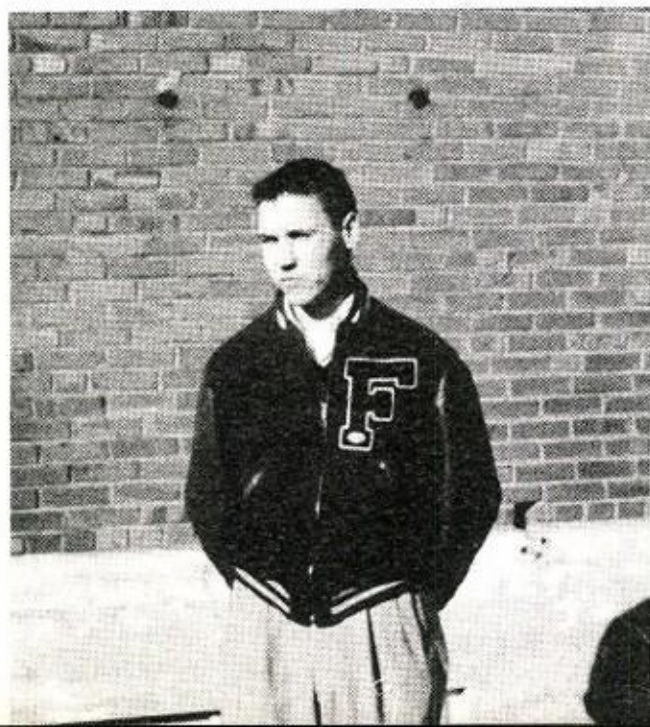

These boys with the help of "Doc" Jesse Lash and Asst. coach Harold Stinson, collaborated to produce the following results:

On Sept. the fifth Franklin opened its season with a non conference tilt with Sullivan. The down staters took advantage of the Cubs first game jitters and scored three TDs in the first half. Franklin was unable to move until the fourth period when Buford VanCleave, the Cubs fullback scored two TDs. But Franklin's spark came too late as Sullivan won 25 to 13.

The following Friday Franklin entered conference competition by opening with Rushville. Neither team was able to crack the other's defense during the first half, but the Cubs' backfield, led by Ted Robinette, scored twice in the second half. The result was the Cubs' first SCC win: Franklin 13, Rushville 0.

During the next five weeks, Franklin played five consecutive conference foes. The results were both good and bad. On Sept. 19 Franklin remained in the winning column by an impressive win over Shelbyville, 14 to 6, but on the following Friday lost to the Southport Cardinals, 19 to 7.

On Oct. 3 the Cubs lost a heart-breaker to the conference leaders, the Connersville Spartans, 13 to 7; however, the following week, the Cubs made up for it by downing the Seymour Owls, 14 to 0, resulting in their third conference win.

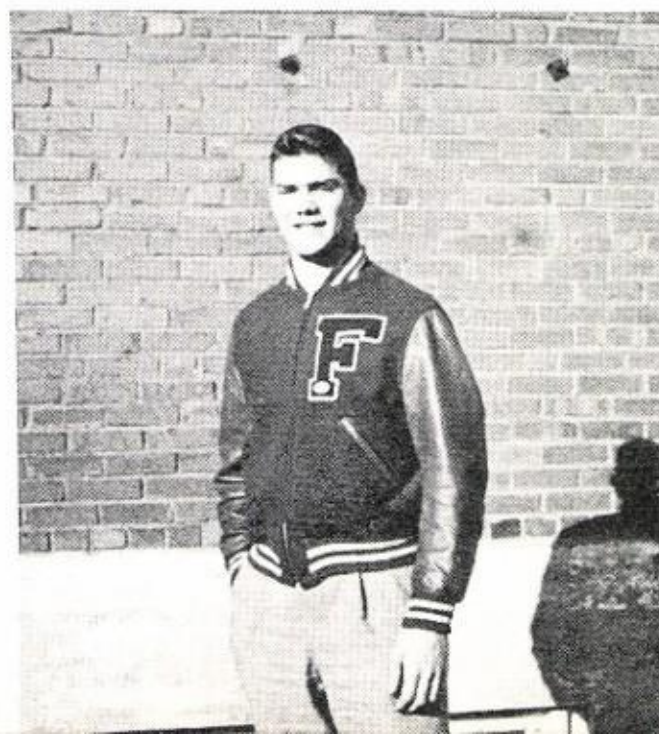

Franklin closed its season by playing their last three games at home. In the first of these, Franklin was upset by Greensburg, 19 to 7. However, the following Tuesday Franklin played their best game of the season, defeating Lawrence Central, 28 to 13. Franklin finished their season by playing host to their old conference rivals, the Columbus Bulldogs, on Oct. 28. The much-favored Bulldogs ran into plenty of trouble before they were able to take home a 12 to 7 victory. The Cubs gave Columbus a real scare when they marched to the Bulldogs' one-foot line, but were unable to score as the game ended.

The Cubs' season was climaxed by the annual Lions Club Football Banquet where the senior awards were presented. Tom Scott was awarded the Sportsmanship Trophy, and Leon Morris was chosen Captain for the coming year.

With the Football season in the past, all eyes are now turned towards the hardwood. Taking command for his third season, Coach Robert Evans immediately began to "iron out" the rough spots and get the boys in condition for the rugged schedule ahead. Franklin, however, was to have a great height disadvantage which is always essential in the S. C. C. play. It was not until later in the season, sparked by Captain Bill Wheeler, did they show the sign of the winning spirit which they had lacked earlier. Tom Scott, Bill Mann, Frank Weaver, Larry Lee, and Charlie Woods completed the rest of the quintet. Although their record is not too impressive, one can read between the lines and know that the Cubs played much better ball than the records might indicate. Each boy played hard with the desire to win, and all exhibited the type of sportsmanship which students, faculty, and fans can long be proud.
